

Food Delivery Flyers

Every Family orders Pizza or take-out. Why don't you partner with your local pizzeria, sub shop, or other take out restaurants and tape flyers on each box that goes out for delivery or pick up. (Might be a good place to put a sign in their storefront as well).

What You're Going To Need:

- Flyers
- Tape
- Thank you notes
- List of potential pizzeria's to contact.

How You're Going To Organize This:

Determine the timeframe you'd like to run your Food Delivery Flyer Campaign (pick specific dates – recommended at least two weeks before Joining Event) . Contact local Take-out locations to ask if they would tape a Pack Flyer to the top of every outgoing order. Make sure you get an approximate flyer count based on their estimate of deliveries.

Contact your District Executive with a specific request for flyers, including count, and all Joining Event and contact information. Your DE can arrange a time for you to pick up the flyers from the Scout Service Center or bring them to a Pack function when ready. Drop off the flyers at your local pizza shops within your agreed timeframe

Make sure you send a personalized thank you note from the pack to the businesses who supported scouting in your area.
